

Behind the Scenes Tour

Celebrating Mattie's 7th Birthday!

Mattie is a white handed Gibbon ape. Gibbons are the smallest of the ape family. Gibbons have long arms for swinging through trees and long fingers for foraging for seeds and nuts. Mattie loves to swing but also loves to use her long arms for hugging her best friend Bubbles the Basset Hound. Her long fingers come in handy when keepers hand out enrichment items, treats and for opening birthday cards!
