Here you will see a collection of adorable friendly farm type animals. This is appropriate for all ages and is our gathering area for the Wildlife Walk, Presentations, Hayrides, and Pony Rides, so this is included in all the packages below. Each guest will receive one free animal feed cup.

Wagon Rides: Our hayride winds through our livestock area and past our Water Buffalo, Camels, and other hoof-stock not seen at the Petting Zoo. Hayrides can carry 20-30 people (depending on age/size of children) and generally last 20-30 min.

Zoo Tour This is a walking tour of our exotic animal area. One of our Zookeepers will be your personal guide for a Behind the Scenes visit to see animals such as our Wolves, New Guinea Singing Dogs, Cougar, Serval Cats, African Porcupines, Beaver, Wallabies, Wallaroo and Red Kangaroos, Hawks, Lemurs, Binturongs, and others. This walk is along a gravel road and mulched paths with stairs. 35-45 min.

Zippity Zoo Presentation: A 30 minutes with 5-6 of our smaller reptiles and exotics. These programs are geared toward the age of the students involved. Programs are hands-on experience!*Great option for all ages including preschool.*Great option Preschools and groups that don't have time for a full Wildlife Walk but want an economical way to see something in addition to the Petting Zoo. Animals may include: Hedgehog, Chinchilla, Skunk, Armadillo, Snake, Baby Alligator, Lizard, Giant Frog, Parrot, Etc.

For an additional fee these program can be upgraded to 45-60 minute programs from 7-8 animals as outlined in our ZOO TO YOU PROGRAMS customized to fit a theme or upgraded to a "more impressive" group of animals such as: Monkey, Kangaroo, Hawk, Lemur, Wolf, Etc. These animals are usually seen on the Wildlife Walk but can be done as a presentation if it better serves your group needs. Prices will vary depending on the animal and staff required.

General Information

- **These prices are an introductory offering for schools, churches, camps and other non-profits for weekday programs only. These are a huge savings compared to our weekend rates. Therefore we need to have a 15 person minimum for groups to have us open during the week, since we are generally open only on weekends.**
- **For weekday group rates the prices are per person, with no distinction between child and adult pricing.**
- **Prices are \$2 more for any person paying separately from the group.**
- **If you arrive late, your schedule time will still end at the same time. We have the right to shorten or alter their schedule as needed**
- **When traveling in busses- Drop off at Petting Zoo Entrance. The bus driver will then be directed to the designated parking area.**
- **If parents come on their own, the students and teachers have priority to activities; if there is room for parents to join then that is fine but if not additional activities will not be added unless previously arranged.**
- **Groups larger than 25 people will generally need to be split up to do different activities at the same time.**
- **We have seating at picnic tables (some in the shade, some not depending on the time of day) for about 40 kids. Of course if you bring blankets those can be put down for larger groups. Lunch times may be staggered to accommodate use of space.**
- **Bathroom and a clean port-o-john available for guests.**
- **We require one chaperone for every 10 kids**
- **All of our activities are outdoors, so in case of inclement weather zoo management may need to reschedule your event.**
- **For the packages above you will generally need to allow 1.5-2.5 hours here on site. If you are on a tight schedule or want to extend things let us know so we can plan accordingly.**
- **We are trying to figure out what works best so your feedback is welcome to help serve you better in the future. Need something different than what you see above? Just get in touch and we will be happy to customize a package for you.**
