Shoes/Sandals must be worn at all times, tennis shoes must be worn when on compound the with animals. The clothes you wear at camp might get lost and will definitely get dirty.

****Electronics:****

No cellphones or smart devices are to be brought to camp by a camper. We understand that sometimes students have special needs that give cause for having a device (i.e., medical reasons like diabetes), but we ask that you will make us aware ahead of time if this is the case. (Note: “Needing to listen to music or watch Netflix” to fall asleep are not valid reasons to bring a cellphone or smart device to camp.) Our camp has always existed as a safe place for people of all ages to “get away” or “unplug” from the distractions of everyday, normal life, but the connectivity that accompanies the constant use of cellphones, internet, and smart devices does not allow for that separation to happen...

We are so excited to see what God does at our camp when we truly allow ourselves to separate from the distractions caused by constant connectivity. Parents are welcome to call the camp or the head counselor at any time to check in on their campers. Contact phone numbers will be given to each parent at drop off. We will be posting pictures and/or videos of camp throughout the stay so you can see some of the action online.

Please understand that by signing the registration, you are agreeing to these terms and that if you choose to make your camper bring a cellphone or smart device, or if your camper brings a cellphone or smart device on his/her own volition, that upon its discovery it will immediately be confiscated, locked in the office, and will not be returned until check-out on the last day of camp. We will not be responsible for lost or damaged cellphones.

We are excited and expectant to do it all again this summer! We want campers to experience camp — to be somewhere new, exciting, different, surrounded by peers who are in the same exact boat — all learning, loving, worshipping, praying, laughing, and living together for as long as the camp session lasts. Thank you.
