PROGRAM HIGHLIGHTS:

- Animal Education: Learn about animals from all around the world.
- Animal Feeding: Learn about the diets of many different animals and how to prepare and actually feed many of the animals.
- Animal Enrichment. Participate in creating fun toys for the animals to play with and enjoy watching some of those interactions.
- Activities are customized according to age. Included are pony rides, enrichment crafts, petting zoo, bottle feeding baby animals and more!
- Our camp staff is dedicated to providing an amazing, safe, and unforgettable camp experience. A wholesome camp experience so that campers can grow spiritually, cognitively, physically and socially.
- Teens and kids on the same weekend but have them split up for activities and overnight accommodations areas would be separate for boys and girls.
- Because this is our first year and we are experimenting with some new ways to get pictures to our campers- we would offer the camp picture at no cost. You will get a link to access the pictures via Dropbox. Those would be available for about 30 Days.
- Bad weather: We recognize that a giant snowflake may fall and we will have to work around that ;) If weather is concerning, may look at just dropping off kids later or picking up earlier. We can be flexible.

CREATURES and CREATION:

We are going to be getting a unique look into God's handiwork. We will be learning all about God's creation through daily interaction with the animals and the zookeepers.

WHAT TO BRING:

- Camp application completely filled out with health insurance information and emergency contact information.
- A sack lunch-unless lunch add on has been chosen or overnight option. (**NOTE:** please send your camper with a sack lunch. Drinks and Snacks will be available for purchase at gift shop.)
- Spending money for snacks, drinks, accessories and souvenirs.
- Water and Snacks- may be brought or purchased at the Gift Shop.
- Close toed shoes are required.
- Pants or long shorts. (Be prepared for any cloths and shoes to get dirty.)
- Warm Cloths! It's cold out! Jackets, Gloves, etc. necessary supplies.
- Bring a small bag for water bottle and craft items.
